

Evidence that the Ethical Barometer is **RISING:**

(Blue text indicates those values that are exemplified by the evidence listed)

Bangkok	Guatemala City	Toronto
<p>Less pollution e.g. litter.</p> <p style="text-align: center;">RESPONSIBILITY</p>	<p>A growing sense of community at our school; feeling of being proud of our school and of “belonging” and support for community members going through tough situations</p> <p style="text-align: center;">COMPASSION RESPECT</p>	<p>There is a growing wish among nations to support less developed, emerging or struggling nations. The poor are getting assistance from the richer nations such as Canada.</p> <p style="text-align: center;">COMPASSION FAIRNESS</p>
<p>Less murder</p> <p style="text-align: center;">COMPASSION</p>	<p>More campaigns in favor of the disadvantaged (the sick, orphans, physically and mentally challenged, etc)</p> <p style="text-align: center;">COMPASSION</p>	<p>Canada has committed to give more of its GDP to third world nations.</p> <p style="text-align: center;">COMPASSION FAIRNESS</p>
<p>Less Theft</p> <p style="text-align: center;">HONESTY</p>	<p>More people value the Literacy Campaign and show commitment to their “students”</p> <p style="text-align: center;">RESPONSIBILITY</p>	<p>U.S. is bombing Afghanistan but at the same time providing aid where it is needed.</p> <p style="text-align: center;">COMPASSION FAIRNESS</p>
<p>More concern for the environment</p> <p style="text-align: center;">RESPONSIBILITY</p>	<p>There have been less “serious” “discipline” problems at our school (vandalism, stealing exams, violence)</p> <p style="text-align: center;">RESPECT RESPONSIBILITY</p>	<p>Canadian Prime Minister is in Africa on a development mission.</p> <p style="text-align: center;">COMPASSION FAIRNESS</p>

Less pickpocketing and cheating of foreigners	More people are concerned with saving water	Increased community involvement and participation in projects that will serve the community regardless of race, religion, background or ability, i.e. Trying to save an old theatre, rebuild a vandalized synagogue, awards in improved race relations.
RESPECT	RESPONSIBILITY	FAIRNESS RESPONSIBILITY
Trying to increase international relations	Freedom of speech in the media and the right to peaceful protest.	Students, teens and young people are more serious about their studies as shown in the results of standardized tests coming out of the Province of Ontario.
RESPONSIBILITY	RESPECT RESPONSIBILITY	COMPASSION RESPONSIBILITY
		There has been a greater compassion for individuals and the local community since September 11 th
		COMPASSION RESPONSIBILITY
		Pesticide free public areas.
		COMPASSION RESPONSIBILITY

Evidence that the Ethical Barometer is **Falling**:

(Red text indicates the values that are at risk by the evidence presented)

Bangkok	Guatemala City	Toronto
<p>Increased illegal business (e.g. boiler rooms)</p> <p>HONESTY</p>	<p>Corruption among government officials, and in general, at every level.</p> <p>HONESTY</p>	<p>The Catholic church has been in the news regarding scandals in the Church and Priests abusing young people.</p> <p>RESPONSIBILITY HONESTY</p>
<p>More car accidents</p> <p>RESPONSIBILITY</p>	<p>Children in the streets, child abuse</p> <p>RESPONSIBILITY</p>	<p>Skymarshalls in commercial jets to manage terrorist attackers or Air ragers.</p> <p>RESPONSIBILITY</p>
<p>Increased teenage drug abuse</p> <p>RESPONSIBILITY</p>	<p>Lack of environmental awareness (deforestation, consumerism)</p> <p>RESPONSIBILITY</p>	<p>Walkerton, Ontario: The government cut back on environmental matters and public health allowed the water facilities in Walkerton to be under supervised. The poorly staffed water filtration plant produce deadly water, infecting the entire community and killing 7 people. The Premier not accepting the blame.</p> <p>RESPONSIBILITY HONESTY</p>
<p>More corruption of police</p> <p>HONESTY</p>	<p>Cheating in schools</p> <p>HONESTY</p>	<p>Selling cars that were in accidents and passing them off as safe</p> <p>FAIRNESS HONESTY</p>
<p>Increased child prostitution</p> <p>RESPECT</p>	<p>Heightened use of foul language and disrespect among Peers.</p>	<p>Young people dissing adults. Too easy to ignore someone else's perspective.</p>

	RESPECT	RESPECT
Increased teenage alcohol abuse and smoking	Promiscuity among youth	Young people doing their own thing at the expense of the greater good. Self-centered adolescence is one thing, but many young people are pathological about their anti-social behaviors. Do thing only if motivated by money or self-promotion.
RESPONSIBILITY HONESTY	RESPONSIBILITY RESPECT	RESPECT
Increased trade/actions of illegal substances	Increased exposure to drugs, especially among youths	
RESPONSIBILITY	RESPONSIBILITY	
More political conflict	Increase in crime	
FAIRNESS	FAIRNESS HONESTY	
More homeless people	More poverty	
COMPASSION	FAIRNESS	
	Cheating in schools	
	HONESTY	
	Segregation: lack of respect for certain ethnic groups	
	RESPECT FAIRNESS
